Professional Services App - Connecting Professional Service Providers to Customers requiring their services through a peer-to-peer (P2P) online marketplace

An innovative online platform to get small jobs done in the Mauritian market that:

- 1. Enables Customers (individuals and businesses) to instantly and securely look up and hire the services of a Professional Service Provider**
- 2. Helps in alleviating unemployment in Mauritius by providing a platform for Professionals Service Providers operating in informal sectors to offer their services to Customers**
- 3. Enables Professional Service Providers to be paid instantly and securely through cashless payments for jobs completed**
