

FUTURE FEMALES INVEST

SPECIAL CALL FOR PROPOSALS: FAST-TRACK INNOVATIVE PROJECTS TO COUNTER IMPACTS OF COVID-19

READY TO THRIVE

Ready to Thrive (RtT) is socially innovative online platform that supports women-led business and women entrepreneurs and unemployed women needing to work flexibly to equip them with knowledge and skills to navigate the post-COVID economic fallout and build strong sustainable businesses that will contribute to the growth, development and recovery of the economy of Mauritius.

RtT will provide Mauritian women entrepreneurs with an online 'one-stop shop' that contains access to useful and relevant online resources, such as funding available to help their business in this period, how to file taxes, HR, how to do their accounts, information about regulatory frameworks all in one place. It will also provide online training (via videos and/or podcasts as well as webinars) on a range of topics particularly concentrating on how they can how to digitalise their businesses, pivot their business offerings, apply for finance and much more, it will also have resources to help them and their businesses to thrive while adjusting to the new normal.

RtT will provide direct access online to:

Mentoring - Knowledge - Experts - Coaching - Resources - Training - Connections - Talent marketplace

PROJECT DURATION: 9 MONTHS

FUTURE FEMALES INVEST

Future Females Invest is driving women economic empowerment solutions and systems change interventions for the entire entrepreneurial and investment ecosystems. We put power into the hands of African women by providing connections and collaborations, access to finance and high quality training.
